Section 214 Application

Applicant: AT&T Services, Inc. on behalf of SBC Long Distance, LLC d/b/a AT&T Long Distance

On **June 16, 2015**, **AT&T Services, Inc.** (AT&T or Applicant) filed an application with the Federal Communications Commission (FCC or Commission) on behalf of its affiliate, **SBC Long Distance, LLC d/b/a AT&T Long Distance** (AT&T LD or Applicant), located at **208 S. Akard St., Rm. 1470.08, Dallas, TX 75202**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue a certain domestic telecommunications service throughout the United States including all fifty states, the District of Columbia and the U.S. territories of American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, Puerto Rico and the U.S. Virgin Islands (collectively, Service Areas).¹

AT&T indicates that AT&T LD currently offers AT&T Long Distance Calling Card Service for Business in the Service Areas (Affected Service). According to AT&T, this service is a long distance calling card service that allow users to place intrastate, interstate and/or international calls by dialing a company-provided toll-free access code or number. AT&T explains that the Affected Service also allows such calls to be billed to the customer's telephone bill after the call is placed. AT&T states, however, that business calling card usage has been declining for several years due to the market growth of other communications methods including mobile phones, email, social media streams and voice over Internet Protocol. Accordingly, AT&T indicates that AT&T LD now plans to discontinue the Affected Service in the Service Areas on or after September 12, 2015, subject to Commission authorization.² The Applicant emphasizes that this proposed discontinuance will not impact any of AT&T LD's prepaid calling cards or any

¹ See Section 63.71 Application of SBC Long Distance, LLC d/b/a AT&T Long Distance For Authority Pursuant to Section 214 of The Communications Act of 1934, As Amended, To Discontinue the Provision of Service, WC Docket No. 15-196 (filed June 16, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001067682> (Application).

² Discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

prepaid minutes associated with those cards. In addition, AT&T maintains that the public convenience and necessity will not be adversely affected by the proposed discontinuance due to the very low demand for this service and the existence of various alternatives. AT&T states that AT&T LD sent notice to customers via U.S. Mail on June 15, 2015. AT&T asserts that AT&T LD is considered non-dominant with respect to the service to be discontinued.

In accordance with section 63.71(d) of the Commission's rules, AT&T's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies AT&T that the grant will not be automatically effective. In the Application, AT&T indicates that AT&T LD plans to discontinue the Affected Service in the Service Areas on or after September 12, 2015, subject to Commission authorization. Accordingly, pursuant to section 63.71(d) and the terms of the Application, absent further Commission action, AT&T may discontinue the Affected Service in the Service Areas on or after **September 17, 2015**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **September 1, 2015**. Such comments should refer to **WC Docket No. 15-196 and Comp. Pol. File No. 1229**.
